## Taxpayer Funded Rosters campaign launching December 10

### [ZOOM LINK HERE](#)

ADHSU paramedics are already chalking, handing out patient response cards and filling out QR code report forms, but now is the time for members to really kick off the fight. Despite the efforts of the NSW Executive, members have a plan to win.

Come along to the all-members meeting 11am Tuesday December 10 for the official Taxpayer Funded Rosters campaign launch.

We'll discuss the strategy going forward and how it can be implemented at your station.

ADHSU members will not tolerate unmaintained rosters any longer. They will stand together, as they always do, to win a better resourced healthcare system for themselves and their communities.
