Notification of Workplace Change – Griffith Base Hospital Patient Support Services

Dear Mr Hayes,

I am writing to inform you that HealthShare NSW intends to alter the standard shift patterns within the Patient Support Services at Griffith Base Hospital. This follows an approved change of service that will increase the cleaning shifts and staffing levels at Griffith Base Hospital in 2025 due to the redevelopment of the facility.

Accordingly, HealthShare NSW has reviewed the impact of the change of service on our business and is proposing changes to the existing roster for Patient Support Services (PSS) to accommodate the additional services

HealthShare NSW is committed to consultation with the HSU and our staff of the impact of this change, with the first consultation meeting will be held on 7 January 2025 at 11:00am at Griffith Health Service. The Health Services Union (HSU) is welcome to attend. Please confirm if a Union Organiser will be present.

Should you require additional information, please feel free to contact Wayne Rose, General Manager of Food & Patient Services for Murrumbidgee & Southern, at 0428 115 032 or wayne.rose@health.nsw.gov.au

Sincerely,

Joel Bardsley
A/Executive Director, Patient Services and Planning
