Re: NSLHD Sustaining NSW Families & Brighter Beginnings Preschool Health and Development Checks Programs - Notification of Approved Realignment

Dear Mr Hayes

I write to provide you an update on the above realignment, and advice regarding next steps.

The above realignment was previously advised to you, with a four-week formal consultation phase that commenced on 21 July and concluded on the 17 August 2024.

I can now advise that following good engagement and feedback from stakeholders during July and August 2024, consultation has now concluded. Accordingly, the realignment has now been approved for implementation by the NSLHD Chief Executive Anthony Schembri. Please see attached a final organisation chart that reflects the agreed structure.

Governance for this project is now via the project manager, Ms Kim Lyle. Recruitment activities have commenced for both the Brighter Beginnings Preschool checks and Sustaining NSW Families Programs, and it is envisaged that implementation will progress as staff are recruited to the new role. Full implementation is anticipated to be completed by the end of 2024.

Thank you, to you and your members for your genuine interest in the above realignment.

If you require any additional information, please contact Kim Lyle, Service Manager, Child Youth and Family Health Service at kim.lyle@health.nsw.gov.au Alternatively, Gerard Drinan, Senior Human Resources Business Partner - Mental Health Drug and Alcohol, and Primary and Community Health, can be contacted at gerard.drinan@health.nsw.gov.au

Yours sincerely
