Dear Mr Collins

Consultation – Medical Imaging Management Arrangements

I am writing to seek your feedback on a consultation paper ([Attachment A](#)) regarding management arrangements for the Medical Imaging department at Canberra Health Services (CHS).

Affected staff have been engaged in an initial consultation process, and following the review and implementation of relevant feedback, I am now seeking feedback from the Health Services Union (HSU) on this proposal.

CHS strongly values the perspective and input of the HSU during this consultation period and would be grateful for your feedback on this proposal.

To ensure all relevant feedback is considered before this document is finalised, could you please review the attached document and provide your feedback (including acknowledgement of receipt / nil feedback) by Friday 10 February 2023.

If you have any questions or concerns, please contact me via email at edms@act.gov.au

Yours sincerely

Dr Grant Howard
