Dear Mr Hayes

I refer to previous correspondence dated 22 October 2024, where the HSU was informed of the proposed changes to realign the Paediatric to Adult (P2A) Service within the Keeping Well in Community Directorate within Primary and Community Health, South Western Sydney Local Health District (SWSLHD).

As a part of the consultation process, employees and the HSU were provided an opportunity to comment on and provide feedback on the proposed changes.

Please be advised that the consultation period has now concluded and the realignment of the operational management of the Paediatric to Adult (P2A) Service will be effective from Monday 2 December 2024.

Communication with employees about the realignment of the operational management of the Paediatric to Adult (P2A) Service has commenced, and letters have been issued to those employees affected by these changes.

Thank you for your continued support.

Yours sincerely

Justin Duggan
General Manager
Primary and Community Health
