Dear Mr Hayes

**Realignment of Safety and Quality team, Clinical Engagement & Patient Safety,
eHealth NSW**

Please find attached consultation documents for the proposed realignment of the Safety and Quality team at eHealth NSW (eHNSW).

The realignment of the Safety and Quality team is intended to improve the efficiency and customer-centricity of a range of professional services offered by the group.

Staff consultation meetings have been held on 20 September 2024 to inform staff of the proposed changes. Staff have been requested to provide formal feedback by 4pm, Friday 27 September 2024. If you could please provide any feedback regarding the proposed structure by this time also.

eHNSW is committed to consultation with our staff and the HSU on the impacts of this change. If you have any questions, please contact myself or Christine Ters, HR Business Partner on 0499 873 337.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Simpson".
