PRIMARY PURPOSE (max 3,800 characters with spaces)

The vision for Illawarra Shoalhaven Local Health District (ISLHD) is 'excellent services, quality partnerships, healthy communities'. ISLHD is committed to enabling our community to be healthy and well, and to providing the best possible compassionate person-centred care when people need it.

The Nurse Manager, Workforce (NM) is responsible for providing a centralised, custom focused, workforce management service for nursing and midwifery across Illawarra Hospital Group. The NM is responsible for the strategy, planning, recruitment and allocation of nursing and midwifery staff in line with the agreed budgeted nursing and midwifery profile. They are responsible for the day-to-day management and oversight of the nursing and midwifery establishment, and work in partnership with the Director of Nursing and Midwifery and the Nursing Executive team to do so. The NM manages the operational direction and support of the ISLHD Nursing and Midwifery Strategy and in collaboration with IHG NM 2 Casual Pool and Staffing ensures that the recruitment and workforce management is consistent with agreed strategy and service needs.

The position will provide leadership for the clinical units around recruitment and retention of nursing and midwifery staff, in line with organisational key indicators. The NM will work closely with the IHG Nursing/Midwifery Executive and relevant P&C Business Partner and will meet regularly with Nurse/Midwifery Unit Managers to provide guidance and support the management of the nursing and midwifery workforce. The Nurse manager will provide leadership and accountability for an effective workforce, corporate governance and the development of innovative strategies to support the career development of nurses and midwives. The role will focus on collaboration with District NM Workforce, with service managers in key areas of human resource management, recruitment, succession planning, workforce performance and risk management. The NM reports to the Director of Nursing and Midwifery and is a member of the Nursing executive.

COVID-19 VACCINATION COMPLIANCY

All NSW Health workers are required to have completed a primary course of a COVID-19 vaccine which has been approved or recognised by the Therapeutics Goods Administration (TGA). Additionally, Category A workers are required to receive a booster dose three months after completing the primary course of COVID-19 vaccinations. New applicants must have completed the vaccination course prior to commencement with NSW Health, or provide an approved medical contraindication certificate (IM011 immunisation medical exemption form) certifying the worker cannot have any approved COVID-19 vaccines available in NSW.

Acceptable proof of vaccination is the Australian Immunisation Register (AIR) Immunisation History Statement or AIR COVID-19 Digital Certificate. Booster doses are highly recommended for all health care workers who have completed the primary course of COVID-19 vaccinations.

For Category A applicants, if dose 3 is not yet due they can sign the undertaking form to confirm they will receive the vaccine within 6 weeks of the dose due date.

RESPIRATOR USE

NSW Health workers may be required to use a respirator, as part of their appointment with NSW Health. Where a respirator is required for use, workers will be instructed in their safe use; including donning, doffing and fit checking. Staff may be required to complete fit testing to selected respirator/s to assess their facial fit/seal.

At all times when a health worker is required to use a respirator, the health worker must not have any facial hair that impedes on the mask seal and may be required to be clean shaven. Processes are in place to support workers that need to keep facial hair due to religious observance requirements and/ or health conditions
