Re: Dock 9 Warehouse Closure

20 June 2023

---

Dear Mr Hayes,

I am writing to formally notify the Health Services Union (HSU) of proposed changes to the HealthShare NSW Dock 9 warehouse on the Westmead Hospital grounds. As you would be aware the Dock 9 warehouse supplies medical consumables and pharmaceuticals to NSW Ambulance Service and the Patient Transport Service.

As part of the Westmead Hospital Precinct Redevelopment, Health Infrastructure have requested the need for HealthShare NSW to vacate the Dock 9 warehouse site. This request has to be complied with. Given this requirement, HealthShare NSW plans to take the opportunity to provide a whole of NSW Health warehouse service through consolidation of warehousing functions with OneLink.

It is proposed the medical consumable supplies will be incorporated into the current state-wide OneLink service model and pharmaceutical supplies will be tendered under the current state-wide Pharmaceutical services agreement. The proposed plan is to transition these services by the end of 2023.

There are seven (7) employees that will be affected by this move. This includes the roles of:

- Supply and Distribution Manager (HM2)
- Team leader (HM1)
- Store person/Driver (GAS5)
- Store person/Driver (GAS4)
- Store person/Driver (GAS3)

Our commitment is to redeploy all staff members, following the completion of the transition of services.

Our first consultation meeting will be held on Wednesday 21 June 2023 at 9am to discuss the proposed transition, and the HSU are invited. Please let Anna Alexandratos, HR Business Partner on 0436 850 637 if a HSU Organiser will attend the meeting.

Sincerely,

A handwritten signature in black ink, appearing to read "Alex Araujo".
