Dear Mr Hayes

I refer to previous correspondence dated 5 April 2024, where the Health Services Union was informed of the proposed changes to the Education and Organisational Development Service (EODS) within South Western Sydney Local Health District (SWSLHD).

As a part of the consultation process, employees and the Health Services Union were provided an opportunity to comment and provide feedback on the proposed changes.

Please be advised that the consultation period has now concluded and the change in reporting line of the Workforce Educator, Work Health and Safety Portfolio into to the position of Manager Corporate and Support Services Development will be effective from 30 April 2024.

Communication with employees about the change in reporting line has commenced, and letters have been issued to those employees affected by this change.

Thank you for your continued support.

Yours sincerely

**Dr Rebecca Leon**  
District Director, People and Culture
