Re: NSLHD MHDA - Notification of Approved Realignment | New Brookvale Safe Haven Service

Dear Mr Hayes,

I write to provide you an update on the above realignment, and advice regarding next steps.

The above realignment was previously advised to you, with a formal consultation phase that commenced on 17 June 2024.

I can now advise that following engagement and feedback from stakeholders during June and July 2024, consultation has now concluded. Accordingly, the realignment has now been approved for implementation by the Director MHDA, Ms Andrea Taylor. Please see attached a final organisation chart that reflects the structure.

Governance for this project is now via the project manager, Ms Julie Wortans. Recruitment activities have commenced, and it is envisaged that implementation will be concluded during August 2024.

Thank you for your genuine interest in the above realignment.

If the HSU, or your members have any queries, questions, or concerns regarding this, please contact me via email at Ayisha.Chitakunye@health.nsw.gov.au Alternatively, you may wish to contact Gerard Drinan, at Gerard.Drinan@health.nsw.gov.au
