Final Structure – SESLHD Aged Care Single Assessment System Program

Dear Mr Hayes

I am writing to advise that the consultation process regarding the proposed restructure of Aged Care Assessment services is complete, and the Chief Executive has approved implementation of a final structure.

A proposal was made available for consultation from 26 September 2024 to 24 October 2024. I confirm that genuine consultation has occurred regarding the proposed changes.

I would like to express my sincere appreciation for the HSU's time and attention in reviewing the consultation paper. The final version of the structure as per the document attached includes amendments made in response to the feedback received during the consultation process.

Should you require any further information or have any questions, please do not hesitate to contact Tony Jackson, Deputy Director, Population and Community Health, at tony.jackson@health.nsw.gov.au or by phone at 0402 890 422.

Yours sincerely

Dr Marianne Gale
Director, Population and Community Health
