Re: Proposed Restructure – Allied Health Administration team at Wollongong Hospital

Dear Mr Hayes

I refer to my most recent correspondence regarding the proposed changes to the organisational structure of the Allied Health Administration team at Wollongong Hospital within the **Illawarra Shoalhaven Local Health District (ISLHD), Allied Health Directorate** dated 26 August 2024, which has the potential to affect your members.

To date we have held individual meetings with the affected staff, provided all staff with a copy of the restructure plan and offered details of where feedback can be provided.

The consultation period closed on 10 September 2024 and in the absence of any feedback received, I have since met again with all staff on 17 September 2024 to provide the outcome of the review. Please find attached an outline of the final structure.

The grading and subsequent recruitment campaign for the new position will shortly commence and I anticipate that the structural changes will begin to take formal effect from 27 September 2024.

If you have any queries regarding this notification, please contact me via email at shellie.mason@health.nsw.gov.au.

Yours sincerely

Shellie Mason
Nutrition and Dietetics Director
