

CM: 22/15221

Mr Gerard Hayes
Secretary
Health Services Union
Level 2 109 Pitt St
Sydney 2000

Dear Mr Hayes

Motor Vehicles -Telematics

I refer to my letter of 4 January 2022 concerning the NSW Government Fleet Telematics Policy and the implementation of that policy at the Nepean Blue Mountains Local Health District.

The District has revised NBMLHD Motor Vehicle Policy to include Telematics and a copy of the draft revised policy is now attached for your information.

I would appreciate if you could review the revised policy and give me your comments as soon as possible as the District is keen to implement Telematics as another opportunity to improve the efficiency of the motor vehicle fleet. and the safety of the employees driving the District's vehicles.

Should you have any enquiries in relation to this matter please contact me on 4734 1537.

Yours sincerely

Greg Driver
Manager, Workforce Services and Performance
Nepean Blue Mountains Local Health District
