Re: Final restructure – Directorates under Integrated Community Services and Mental Health

Dear Mr Hayes,

I refer to the letter dated 12 February 2024 advising of proposed changes to the structure of the Illawarra Shoalhaven Local Health District (ISLHD) Integrated Community Services and Mental Health (ICMHS) Directorate, which has the potential to affect your members.

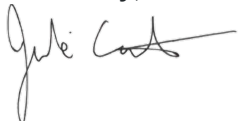

In the above correspondence, you were provided with the proposed changes to Ambulatory and Primary Health Care, and the Public Health Unit. These structures have been discussed at length with the relevant staff.

The extended consultation period closed on 3 March 2024, with feedback from affected staff having been collated, reviewed, and considered, in accordance with the consultative provisions within the relevant awards and NSW Health Restructuring Policy and Procedures.

Please find attached the finalised restructure document approved by the Chief Executive for your information.

Should you have any queries, please do not hesitate to contact me on Julie.carter@health.nsw.gov.au or 02 0411 127 442.

Sincerely,

Julie Carter

Executive Director Integrated Community Services and Mental Health
