Dear Gerard

I write to inform you NSW Health Pathology (NSWHP) is proposing the deletion of a position from its organisational structure.

The reason for this proposal is due to changes in the requirement for administrative and executive support and the desire to ensure we provide meaningful work for our skilled and valued staff.

The proposal includes:

- Deletion of the Executive Officer to the Chief Executive –Health Manager Level 3.

The position is occupied by a permanent employee who will become 'affected staff' in line with the Managing Excess Staff of the NSW Health Service Policy Directive.

NSWHP Chief Executive, Vanessa Janissen, with the support of the NSWHP People & Culture team have commenced consultation with the identified employee on the proposed change.

NSWHP would like to invite the Health Services Union to provide any feedback on the proposed review change by 28 November 2024. If there is no further comment or feedback provided, the proposed change will be implemented after this date.

In the instance there are any additional changes to the proposed direction of the organisational structure, we will write to you for any further feedback.

If you have any questions, I can be contacted via email at Georgie.Quade@health.nsw.gov.au or by phone on 02 4928 7122.

Yours sincerely

Georgie Quade
