Notification of Approved Realignment : Adult Care Coordination Teams | Northern Beaches Community Mental Health Service (NBCMHS)

Dear Mr Hayes,

I write to provide you an update on the above realignment, and advice regarding next steps.

The realignment was previously advised to staff, with a formal consultation phase that commenced on 19 April 2024.

I can now advise that following good engagement and feedback from staff and stakeholders during that phase, consultation has now concluded.

Accordingly, implementation of the realignment has now been approved by the Director of Mental Health, Drug & Alcohol, NSLHD, Ms. Andrea Taylor. Please see attached a final organisation chart that reflects the approved structure.

Governance for this project now continues, including team restructuring processes and recruitment of additional funded staff.

Thank you for your genuine interest and inputs into the above realignment.

If the HSU have any queries, questions, or concerns regarding this, please contact me at antoin.cullen@health.nsw.gov.au . or Gerard Drinan, Senior Human Resources Business Partner at gerard.drinan@health.nsw.gov.au .
