At the Critical Services Building (CSB) - Industrial Relations Forum held on 5 August 2021, an outline of the consultation process that would be followed for new or updated Models of Care/ Models of Service was provided to you. Further to this at the Forum held on 16 June 2022, the consultation schedule was provided for the CSB draft Models of Care/ Models of Service.

In accordance with that process and schedule, please find attached the new (draft) Model of Service for the Family Respite Lounge for your review and feedback.
