

# PTO Actions, Fighting for a Fair Award

HSU PTO members are fighting for a fairer award, after negotiations with the Ministry of Health have stalled, members are taking action. The following actions were voted up by a stop work meeting on Thursday 23<sup>rd</sup> of May.

## Action commencing **first day shift Monday 27<sup>th</sup> of May**

- HSU PTOs will ban status changes on logis, acknowledging the job but not the status until the job is completed.
- HSU PTOs will ban any hospital discharges, including to other hospitals, nursing homes and private addresses, excluded from this ban are end of life patients who will still be transported as normal.
- HSU PTOs will ban calling ahead for all patients/jobs.

## **Additional Info**

In addition to these actions NSW Ambulance members working in Control are likely to take some actions banning dispatching certain discharges at the same time. All these bans are in service of forcing the Ministry of Health to the table with real offers for their workers.
